Schools are mini-markets with multiple merchants on campus. We offer a simple platform to receive all their payments in one app.

Parents & schools can earn rewards on safe & secure payments campus wide.

MULTIPLE MERCHANTS

ACROSS MULTIPLE SCHOOLS

LOYALTY REWARDS

SAFE & SECURE

School Merchants

- π Signup your school or school merchant to receive cashless payments for events, products or services on campus
- π All you need is an android or ios device to start scanning student cards for payments.
- π We can also put you in touch with our point of sale partners to receive payments & have a full POS system.
- π Once you are registered you are ready to receive payments for events, pre-orders for the tuck shop or cashless payments for products & services.
- π Merchant subscription cost is R250 excl vat per month.
- π There is a banking transaction cost of 5% which is charged to the parent/ user per transaction.

School Users

- π Parents, students, teachers or guests can register on our Web app, iOS app or Android app.
- π Users can top-up their wallet with EFT or CREDIT CARD.
- π Add one or multiple kids to the app. Kids can be at different schools.
- π Pre-order meals up to two weeks in advance. Meals are consolidated & delivered to the tuck shop at 8am daily.
- π Users can buy cashless cards at the school or school merchant & link a card to each child to spend.
- π Set daily & weekly spend limits on the cards.
- π Be notified when there is a school event to be paid & pay safely & conveniently in app.
- π There is a banking transaction cost of 5% which is charged to the user per transaction.
